

Directions to Cordill & Feryn Lake Cabins

- Take I-5 North out of Portland. The speed limit is 70 mph once you get past the I-5/I-205 convergence.
- Take Exit 49 (the 2nd Castle Rock exit) and head East on highway 504.

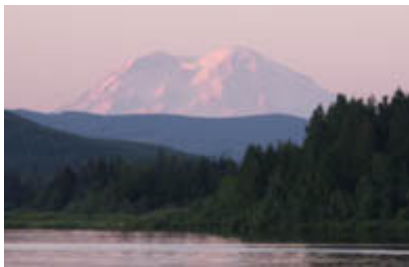

Note: If you are using a cell phone, call when you exit the freeway. Most cell phones don't work more than 3 miles from I-5 and calling near the freeway reduces your wait in the marina.

- Turn right onto Lakeview Drive at the Cowlitz Valley Wildlife League sign. 
- Park in the parking lot at the end of the road. Don't park under the conifer tree near the playground or your car might get sapped.
- Sign-in as the Cordill's or Feryn's guest outside the caretaker trailer near the parking lot. You place the parking fee (\$2/day) in an envelope so having exact cash is recommended.
